## ABOUT MYSELF

I am a calm, amiable and ambitious person although a bit taciturn. When it comes to work, I am dedicated to my task and try to overcome the obstacles and hurdles meticulously and smartly. As far as hobbies are concerned, I love watching and playing football a lot. It is my passion. Playing computer games, reading books, listening to music and watching movies and computer programming are some of my other hobbies. My interests include Computer Graphics, Artificial Intelligence, Quantum Physics, and Game Development. My ambition is to be a renowned Game Developer.
