ABOUT MYSELF

"The key to success is hard work". I strongly believe in this philosophy. Smart work can give you boost but it's not the fuel for success wagon. I can work both in team and in isolation but I prefer working in team. I like swimming, travelling and playing table tennis and cricket.

CO-CURRICULAR ACTIVITIES

1. Taught a group of 50 lecturers and professors from various colleges in Wireless Sensor network Summer School organized by MHRD in NITK Surathkal(June 2009).
2. (May 2009- July 2009) Proposed and Developed a SDLC Model for WSN (Wireless Sensor Networks) (Guide Prof. K. Chandrasekaran).
3. (Dec 2008-April 2009) Development of a distributed system "Distributed Mathematical Computing" in which various time consuming mathematical problems can be done in reduced time by workload allocation to idle nodes present in the network(Guide Mr. Mahendra Pratap Singh).
4. (July 2008- Nov 2008) Developed an Enterprise management system "e-Invoice" with automatic payroll, inventory control, and transaction management. The system can be used by all employees depending on their privileges and can produce graphical reports and summaries (Guide Mr. B. R. Chandawarkar).
5. (May 2008- June 2008) A document navigation system called "Jooming", a computer enhancement for skimming through and diving in to the text using Natural Language Processing kit. It was written in python 2.5(Guide Prof. Timothy Poston).
6. (May 2008- June 2008)Development of code implementing algebraic criteria for the stability of "Tensegrity" rod and cable structures, and testing against physical experiment. (Guide Prof. Timothy Poston).
7. (May 2008- June 2008)A website named "2 X 2", which was based on the idea of teaching mathematical concepts to layman. My part was to create java applets for this website(Guide Prof. Timothy Poston).
8. (Jan 2008- April 2008)A simple paint like graphics editor coded in C (Guide Ms Bharti).
