ABOUT MYSELF

A confident and extrovert person with good conversational skills, I have a result-driven, logical and methodical approach to achieving tasks and objectives. I have lived my entire school life in the middle east(Oman, Dubai and Kuwait) which has given me an international exposure. During this journey, I have come across people of different cultures which has taught me a lot about the world and has made me capable of working in any condition with efficiency. I'm gifted with a great sense of humor which has help shape my personality. I'm a participative team player. I'm able to understand the complexity of situations and I'm willing to provide as much creative input as needed, to provide the desired output. I enjoy travelling and mingling with different cultures. In my free time, I swim, play tennis and sing. I am an enthusiastic trekker; scaled the peaks of the Himalayas. I am very passionate about music.

CO-CURRICULAR ACTIVITIES

- Worked as an intern for two months at Aliment Technologies, Bangalore; developed an online order purchasing web application in ASP .net technology using Visual Basic .net as the front end and SQL Server 2000 as the backend. The work done was much appreciated by the managing director.
- Worked in the Performing Arts team as in-charge of the college's annual cultural fest Incident. College's fashion team stood 2nd.
- Worked on a project as part of the Database Management Systems course; designed software to manage a gun and ammunition retail outlet. Used Visual Basic as the front end and Oracle Express edition as the backend.
- Worked as an intern in the Group IT division at AW Rostamani Group (NISSAN); learned about the different functionalities of the division; interacted with the Group IT Manager and his team.
- Managed the sales of inventory required to be put up in the Annual Consumer Fair Exhibition 2006 held in Oman at the International Exhibition Center in Seeb.
- Worked in the public relations team in school and led a team of South-African Delegates around Oman.
- Well versed with the concepts and syntax of C, C++, Visual Basic .net, Visual Basic.
