SUPPLEMENTARY INFORMATION

EXTRA CURRICULAR ACTIVITIES

* Developer at self-started Company, Naabo Solutions. We've worked on a SaaS based web portal system for doctors. Our current product is a SaaS online web calendar for dentists. I've been involved in planning, management, developing and marketing stages of the products and the company.
* Work for the open source project VLC Media Player in my free time developing bugfixes and maintaining modules I've worked on.
* Executive Student Member, IEEE, NITK Student Chapter
* Worked on planning and executing numerous activities, workshops and contests in the college such as the inter college technical fest "Engineer" and many intra college activities for various technical clubs.
* I play the guitar and am a member of the Music Club in NITK. I play tennis and swim in my free time.

ABOUT MYSELF

* I'm self motivated and smart. I'm a good communicator and a fast learner.
* I'm able to adjust and work under pressure and constantly changing plans. This is one of the important things I've learnt from working in a startup.

CO-CURRICULAR ACTIVITIES

* Summer 2008 - Worked as a developer for a medical records application in Naabo Solutions. Mainly involved in the design of the product. Today it has evolved into a medical calendaring application called TurboDoc and is being used by over 200 dentists in Bangalore.
* Summer 2009 - Google Summer of Code 2009 Student. I'm writing the backend for a media library which is used to organise media on a system for VLC Media Player.
